4) When the Govt. Electric Factory pays a commission of 20% and the Co-operative Societies pay 15%, there is no reason why the Chrome Tanning Co. should be charged only 6¼%. If such a concession is shown to them, others also may apply for similar reductions, and the Depots may eventually lose on their transactions. It seems necessary to fix a uniform policy in respect of the rate of commission to be charged; and if approved, the Director will be requested to examine this question, in consultation with the Advisory Committee of the C.T.I. & the Arts & Crafts Depot, if necessary and submit proposals.

OFFICE OF

The Director of Industries and Commerce in Mysore, Bangalore 1.

Date 1st June 1953.

To

The Secretary to the Government of Mysore, Development Department, Bangalore.

Sir,

Subject:- Reduction in commission on sales of the articles consigned by the several consignors of the Mysore Arts & Crafts Depot, Bangalore, and Chamarajendra Technical Institute, Mysore.

I write to state that the following commission is being paid by the various consignors of the Mysore Arts and Crafts Depot, Bangalore, and Chamarajendra Technical Institute, Mysore as noted below:-

1. Government Industrial Concerns except Government Electric Factory.		6¼%
2. Government Electric Factory.	..	20%
3. Government Industrial Schools and Home Industries Institutions.	..	6¼%
4. Mysore Toys Co., Mysore.	..	6¼%
5. Mysore Spun Silk Mills Ltd., Channapatna.	..	12½%
6. Bee Keepers Societies.	..	12½%
7. Gudigar Co-operative Societies.	..	15%
8. Mysore Chrome Tanning Co., Ltd., Bangalore.	..	15%
9. Private consignors.	..	18¾%

In view of the request of the Mysore Chrome Tanning Co., Ltd., for the reduction in the commission paid to the Mysore Arts and Crafts Depot, Bangalore (vide copy of letter No. 2717 dated 10th December 1951 enclosed), the Officer-in-charge of the Depot was instructed to deduct 10% commission for sales of Rs 1,500/- per month and above and 12½% commission for sales below Rs 1,500/- per month with effect from 1-3-1952. The action taken in the matter may kindly be approved.

They have furtner represented tnat the commission should be reduced to 6¼% in order to meet the competition of other dealers and also for increased sales at both the show-rooms at Mysore Arts & Crafts Depot, Bangalore and Chamarajendra Technical Institute, Mysore.

Accordingly it has been decided to deduct 6¼% commission on the sale of their products with effect from 1-11-1952. The action taken in the matter may kindly be approved.

In this connection, I write to state that there will be several cases wherein the commission fixed will have to be reduced

P. T. O.

in special circumstances and instead of approaching the Government each time, I request that general sanction of Government may kindly be obtained empowering me to reduce the commission to any of the consignors whenever considered necessary after examining the case.

Yours faithfully,

Letter No. 2717 dated 10th December 1951 from the Managing Director, the Mysore Chrome Tanning Co., Ltd., Mysore Road, Bangalore 2. to the Director of Industries and Commerce in Mysore, Bangalore.

Subject:- Charging of ½% of rent on articles kept at the Mysore Arts & Crafts Depot and reducing commission chargeable to 7½%.

As the Mysore Arts & Crafts Depot, Mahatma Gandhi Road, Bangalore, is deducting 15% towards the commission out of the sales proceeds of the goods sold by them, the above Company is therefore obliged to put up the prices of articles supplied to them by another 15%. Public and Visitors from outside Mysore and abroad are considering that the prices of the articles are on the higher side than those obtaining elsewhere. On account of this reason goods exhibited at the Show Room are not moving freely and they are having restricted sales. Moreover merchants who are in the neighbourhood of the said Show Rooms who purchase articles from the Company at wholesale rates are selling the same articles cheaper than the prices fixed for the articles supplied to Arts and Crafts Depot, even after adding their margin of profits. We, therefore, request you to kindly reduce the commission to 7½% to enable the Company to reduce their prices on goods supplied accordingly. If this is done we are sure that the turnover will be more and both the Show Rooms as well as the Company will be very much benefitted.

If additional rent of ½% is charged on the goods consigned, in addition to the rent of Rs 20/- the Company is now paying for Show Window the rent will be prohibitive, as they are keeping goods to the tune of above Rs 6,000/-. It is therefore requested that the Company may kindly be exempted from payment of rent at ½% on the goods consigned.

Thanking you,

"C O P Y"

Sir,

Subj: Fixation of Uniform rates and reduction in Commission on sales of the articles consigned by the several consigners of the Sri Chamarajendra Technical Institute, Mysore, and the Mysore Arts & Crafts Depot, B'lore.

3662/53-54

With reference to the correspondence ending with your letter No.I.3837, dated 18-2-1954, on the above subject, I write to state that at present the marginally noted commission is being paid by the various consignors in the Mysore Arts and Crafts Depot, Bangalore, Sri Chamarajendra Technical Institute, Mysore.

1. Govt. Industrial Concerns except Govt. Electric Factory, Bangalore.	6¼%
2. Government Electric Factory, Bangalore (Since the Govt. Electric Factory have not agreed to the 2% shortages they are paying increased rate of commission to cover up the shortages).	20 %
3. Govt. Industrial Schools and Home Industries	6¼%
4. Mysore Toys Co., Mysore.	6¼%
5. Mysore Spun Silk Mills Ltd., Channapatna	12½%
6. Bee Keeper Societies	12½%
7. Gudigar Co-operative Society	15 %
8. Mysore Chrome Tanning Co., Ltd., Bangalore	15 %
9. Private consignors.	18¾%

It is seen that there is no uniformity in the rates of commission and the rates also vary from one Industrial Concerns to another, while the commission fixed on some small scale industries like Gudigar Co-operative Society is excessive.

The Secretary of the Mysore Chrome Tanning Co., Ltd., has stated in his letter No. 558, dated 2-8-1952, that the Commission fixed is excessive and had requested for the ~~xxxxxxx~~ reduction of the commission in view of their limited business.

With a view to reduce the commission in special circumstances, general sanction of Government was sought empowering the Director to reduce the commission to any of the consignors after examining their cases. But in your letter No.I.992, dated 19th June 1953, it was stated that such a concession shown to any of the consignors would lead to similar concessions being sought for by other consignors and that the Depots may eventually lose on these transactions and it was also directed to fix a uniform policy in respect of the rates of commission to be charged.

Accordingly the question of fixation of uniform rate was examined and the following rates of commission were recommended to be levied on the consignors as noted in this office letter No.D3-A2/53-54, dated 5-1-1954.

a) 8½% Commission on the sales of the products of Govt. Industrial Concerns and Government aided concerns.

p.t.o.

b) 12½% commission on the sales of articles of cottage industries products or handicrafts.

c) 18¾% commission on the sales of articles of all other private consignors who manufacture products on factory scale.

But, it was again suggested in your letter under reference that the rates proposed were excessive and revised proposals were called for after further re-examination.

The question was again re-examined after obtaining particulars regarding the transactions and the commission levied in both the institutions. The Advisory Committee of Sri Chamarajendra Technical Institute, Mysore, in their meeting held on 2-11-1954 have recommended for charging 6¼% commission on sales of the products of Government concerns and 12½% to private consignors. I am in agreement with the views of the Advisory Committee, and I propose the following rates of Commission to be charged in Sri Chamarajendra Technical Institute, Mysore, and the Mysore Arts and Crafts Depot, Bangalore, with effect from 1st April 1955.

A.

1) 6¼% commission on the sales of the products of:
   (i) Govt. Industrial concerns including the Govt. Electric Factory.
   (ii) Govt. Industrial Schools, &
   (iii) Cottage Industries of this Department.

2) 10% commission on the sales of the products of:
   (i) Bee-keepers Society;
   (ii) Gudigar Co-operative Society; &
   (iii) other Societies.

3) 12½% commission on the sales of the products of:
   (i) Government Aided Concerns; and
   (ii) Private consignors.

These revised proposals are designed (i) to achieve uniformity of rates of commission amongst the same catagory of consignors avoiding the multiplicity of rates now obtaining and (ii) to reduce the rates to a reasonable level thereby promoting a larger turnover.

I request that the sanction of Government may kindly be obtained and communicated before the end of March 1955 for charging the above revised rates of commission on the sales of the products of several consignors in the Mysore Arts and Crafts Depot, Bangalore, and Sri Chamarajendra Technical Institute, Mysore, with effect from 1st April 1955.
